Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

1. Summary of Significant Accounting Policies

Nature of Operations:

A Family for Every Orphan (AFFEO) was originally incorporated under the Washington State Nonprofit Corporation Act as Doorways to Hope on October 20, 2008, and was granted exemption from Federal Income Tax under the Internal Revenue Code Section 501(c)(3) effective the same date. Doorways to Hope adopted a name change to A Family for Every Orphan by corporate resolution on October 26, 2013, and filed the name change with the Washington State Office of the Secretary of State with an effective filing date of January 15, 2014.

AFFEO exists to provide resources to families domestically and internationally who provide care to foster and adopted children. Resources provided for assistance in foster and adoption care include financial assistance, education and training, networking, consulting and guidance, spiritual mentorship, and establishment of relationship with families and organizations sharing similar commitment, distinctives, values, and worldview. While some assistance is provided directly to families, orphans, and adoptees, the majority of assistance is provided via formal partnerships with international Non Government Organizations whose purpose and values are the same as AFFEO. Funding for AFFEO's international mission is provided by a multitude of individual donors, and charitable organizations and foundations whose desire it is to provide loving homes to orphaned and abandoned children worldwide.

Basis of Accounting

The financial statements of AFFEO have been prepared on accrual basis and report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. At September 30, 2015, AFFEO had no permanently restricted net assets.

Revenue Recognition

Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations (restrictions) that limit the use of the donatec assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Unconditional promises to give are recognized as revenues or gains in the period pledged and as assets, decreases in liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

1. Summary of Significant Accounting Policies (continued)

Estimates

Management uses estimates and assumptions in preparing the financial statements. Those estimates and assumptions affect the reported amounts of asset and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, AFFEO considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Receivables

Receivables consist primarily of pledges receivable from individual donors or charitable organizations. Pledges receivable are unconditional promises to give that are recognized as revenues and as assets, decreases of liabilities, or expenses depending on the form of benefits received, in the period pledged. All account balances are unsecured and are due in less than one year. Historically, pledges receivable have been fully collectible from the donor and management believes all pledges to be collectible in the current year, therefore no provision for uncollectible pledges has been made.

Expense Allocation

The costs of providing programs and activities have been summarized on a functional basis in the Statement of Activities and Statement of Functional Expenses. Accordingly, certain costs have been allocated to the programs and supporting services benefited.

Shipping and Handling Costs

Freight paid on purchases of merchandise related to AFFEO's use if considered part of program or supporting expenses depending on the nature of the purchase.

Income Taxes / Uncertain Tax Positions

AFFEO is a not-for-profit organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. As such, AFFEO is not taxed on income derived from its exempt functions. Therefore, no provision has been made for income taxes in the

accompanying financial statements. In addition, AFFEO qualified for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an organization other than a private foundation under Section 509(a)(2).

AFFEO has evaluated its tax positions for all open tax years, and management believes all tax positions would be upheld under examination. Therefore, no provision for the effects of uncertain tax positions has been recorded for the period ended September 30, 2015.

2. Cash and Cash Equivalents

AFFEO maintains cash in one banking institution which is insured by the Federal Deposit Insurance Corporation up to \$250,000. For the period ended September 30, 2015, the cash balances on hand were \$89,908. The bank balances in these accounts at September 30, 2015, were \$90,058. As of year end, no balances exceeded the federal insurance limit in any one bank.

3. Pledges Receivable

Pledges receivable consist of unconditional promises to give a charitable contribution that remains uncollected as of year end. Pledges receivable consisted of the following balances as of September 30, 2015:

	U	Beginning Balance Additions Co				Collections		Ending Balance	
	Dal	ance	A	luitions	Conections		Balance

care strategies	\$	-	\$	15,000	\$	-	\$	15,000	
Total	\$	-	\$	15,000	\$	-	\$	15,000	

Management considers all pledges to be collectible at year end, therefore no allowance for uncollectible pledges has been made.
